**RENEWED PETITION UNDER 37 C.F.R. 1.47(a)**

Dear Sir:

Reconsideration of the October 4, 2007 Decision on Petition Under 37 C.F.R. 1.47(a) by a Person Having Proprietary Interest to File an Application on Behalf of a Non-Signing Inventor, filed April 16, 2007, is respectfully requested.

The petition was dismissed without prejudice, because Applicant's petition included a separate declaration executed on behalf of the non-signing inventor by Robert J. Irvine, III, which eliminated the presumption that the cooperating inventor, Ju Hyun Ban, signed the declaration on his own behalf and on behalf of the non-signing inventor.

The Applicant encloses the following documents to address the deficiency:

- 1) Declaration signed by Jun Hyun Ban, dated November 22, 2007, with the signature block of the non-signing inventor, Sang Won SON, blank.

The Applicant believes that this new Declaration is sufficient to satisfy the requirements of 37 C.F.R. §1.47(a) and MPEP §409.03(a)

The Applicants respectfully request that this Renewed Petition Under 37 CFR 1.47(a) be granted. If it would be deemed helpful, the PCT Attorney Advisor is encouraged to contact the undersigning attorney.

Respectfully submitted,

Date: December 4, 2007
